## *A Word from the President*

Dear Members:

I hope you had a chance to attend our February meeting. The subjects of both pre and after dinner presentations were IFRS (International Financial Reporting Standards). Both speakers (Laura Buckley from KPMG and [Mike Ciaramella](#) from Accretive Solutions) did a great job discussing the new set of standards and the challenges that all of us will be facing in the near future from both financial and IT prospective. I would like to thank both of them for such wonderful and informative presentations that they presented. Both presentations will be posted shortly on our website ([www.isaca-det.org](http://www.isaca-det.org)).

This month we have two great presentations lined up. First, [Dave Roebuck](#) (Resources Global Professionals) will be speaking to us on Business Continuity Management. For our after dinner presentation, Ms. Kathy Ossian (from Miller Canfield) will discuss the risks involving confidential information that are kept by our organizations. I hope to see all of you at the meeting.

I would like to remind everyone that the Spring Conference will be held from March 9 - 11 at the UM-Dearborn Fairlane Center North facility. This was an opportunity for us to provide quality education at a substantial savings. I hope that you took advantage of this great opportunity by registering for one of the courses.

This month, we will also be congratulating those individuals who passed the CISA exam last winter. If you are one of those people who worked to pass the exam in prior years or who are interested in talking with individuals who have recently passed, please come to the Chapter dinner meeting to say congratulations and/or pick their memories as to how they did it. Let us show these people we support the effort they have made.

Again, as I mentioned on my previous messages, we are constantly looking for feedback on how to improve our processes, and bringing value to our Chapter members. If you have any questions, concerns, or suggestions, please contact myself, or any of the Board members listed on the front page of this newsletter. I look forward to hearing from you.

Best regards,  
Jamshid Sadaghiyani

**Chapter Meetings** – Having trouble registering for the current meeting? Are you seeing last months meeting when you click on register for the meeting? The problem could be in your internet cache file. With our new registration software, we have to have a new link for every meeting. Use your browser’s refresh icon or Control and F5 together. If you are still having trouble, please send an e-mail to [GeraldynJarmoluk@aol.com](mailto:GeraldynJarmoluk@aol.com). We will research the problem for those that the Refresh option does not resolve.
